

Simplify Your Tuition Centre with S-Dinnovia

Students, classes, billing, payments and parent communication - all in one connected workspace.

A clear dashboard for daily enrolment, billing, collection and outstanding balances.

Run everything from one system. Manage parents, students, teachers, subjects, packages, transport, day care and other charges.

Bill faster with fewer repetitive steps. Generate monthly billing in one click, create individual invoices and monitor outstanding balances.

Keep parents informed. Email invoices, official receipts, events and centre notifications directly from the system.

S-Dinnovia from RM60 + 8% SST per month

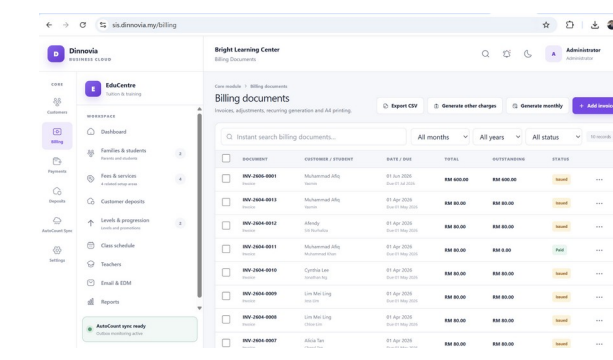

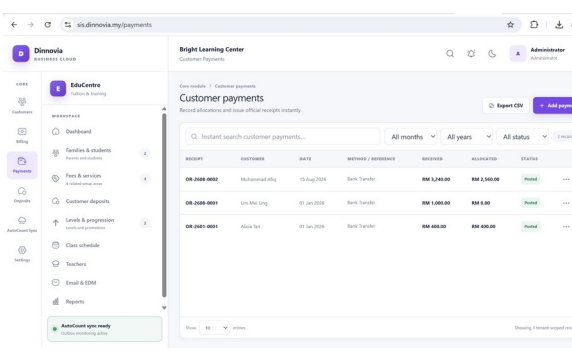

Practical cloud software for growing tuition centres
